Magical Tour Of China education pack

The Magical Tour of China series follows six children growing up overseas who visit Beijing for the first time, learning about festivals, cultural similarities and differences and Chinese etiquette and customs. Featuring 36 units of language learning in four books, CD-ROMs and Workbooks, this is a great way for children to gain advanced knowledge of the Chinese language and culture through materials that remain relevant to their own experiences. The Magical Tour of China series uses the Better Chinese method of Learning Through Stories to make practicing Chinese fun for kids and provide immersion in the language while remaining entertaining to watch.
